— Hosted at Northfield Baptist Church —

UnSHAKEABLE

STANDING FIRM IN GOD'S PROMISES

...in every season of life, God's promises hold firm...

Join women from across the region for the 2026 LYFE Women's Conference—a Friday evening and Saturday Christian women's event designed to encourage your heart, strengthen your faith, and connect you with other women walking the same journey.

What is LYFE?

From Genesis to Revelation, God's Word is filled with promises that steady us in every season. At LYFE, you'll be encouraged through Bible-centered teaching, Christ-centered worship, and meaningful connection with other women as you grow in confidence—not in yourself, but in the God who keeps every word He speaks.

Whether you attend with your church group, your friends, your family or co-workers, or on your own, there's a place for you at LYFE. Groups and individuals are both welcome.

Come and enjoy...

- Biblical teaching from dynamic speakers
- Christ-centered worship
- A live concert with Christian artist Hannah Kerr
- Encouraging connection with other women
- Lunch and snacks provided on Saturday
- A special Friday evening dessert for full-conference guests

Since 1983, thousands of women have attended LYFE Women's Conferences to be encouraged in their faith and strengthened through Christ-centered community.

In Him and His promises, you can be UNSHAKEABLE.

Ask your church about attending together as a group.
